

PRO-VICE CHAIRMAN OF DELHI PUBLIC SCHOOL ASANSOL FELICITATED BY THE GOVERNMENT OF MAHARASHTRA

As COVID-19 continues to wreak havoc all around the world, it is the working class which has bore the brunt of it the most. The pandemic and lockdown have taken a big toll on daily-wage earners, the underprivileged and the homeless. The Central and State Governments along with several NGO's and many self-driven crusaders have time and again stepped forward to extend a helping hand to such vulnerable people. The Pro-Vice Chairman of Delhi Public School Asansol and an eminent social worker, Mr. Ramesh Prasad Goenka had provided food and other essential commodities to the migrant labourers, workers and many such other helpless people during the lockdown. Indeed, he has set an exemplary model for everyone and has successfully fulfilled his duty towards our nation, society and humanity as a whole. For almost over three months, Mr. Goenka had been providing freshly cooked and nutritious meals, thrice a day, to more than fifteen hundred migrant workers. Apart from this, he went to the slums of the workers and other needy people and distributed potable water and food packets from door to door. It has thus helped thousands of such families who have been hit hard by the crisis.

The Government of Maharashtra has lauded the efforts of Mr. Goenka who had gone out of his way to extend a helping hand in times of crisis. Shri Bhagat Singh Koshiyari, honourable Governor of Maharashtra has duly felicitated Mr. Goenka in the event Corona Warriors for his noteworthy efforts. This is not the first time when Mr. Goenka has stepped forward to reach out to the helpless and needy people and has left an indelible impression on the society and humanity as a whole. On receiving the news, Mr. R.D. Sharma, Principal of Delhi Public School Asansol has congratulated Mr. Goenka on his accomplishment and has remarked that it is a proud moment for the entire DPSA family. Students should take a leaf out of this inspiring moment and try to emulate his achievements in the days to come.
